- Please join the South Atlantic Chapter of Construction Management Association of America for our 2009/2010 Breakfast Meeting Series.
- Start 2010 off with some insider information from a panel of owners. Learn about their outlook for the year to come, ways to maintain long-term relationships and tips to stand out against other companies.
- Join us to hear a panel discussion between Owners from a variety of vertical markets, included Federal Government, Healthcare, Higher Education and private development firms.
- Other topics to be discussed:
- Is time, quality, cost or programming most important?
 - Does VE add value?
 - Is sustainable design really worth the cost?
 - What are the expectations of a Construction Manager?
 - What expectations and standards are placed on owners for delivering a final product?
