Life After BRAC

Register at: www.cmaasac.org

Join CMAA for this important USACE update and hear about future opportunities for the design and construction community after the Base Realignment and Closure program is completed later this year.

Major General Todd T. Semonite is Commander of the South Atlantic Division which includes Savannah, Mobile, Jacksonville, Charleston, and Wilmington Districts of the Corps of Engineers. He will update us on life after BRAC. The Military has been flooded with projects over the past few years...but what happens after September 2011?

Come hear from the man at the top of it all what lies ahead for the Army Corps. CMAA is honored and excited to have MG Semonite as our speaker.
